Let Us Have Peace.

Immediately upon reading in the press despatches Wednesday morning of the Pope's peace proposals, the following telegram was despatched without delay:
Hon. John N. Garner, M. C.,
Washington, D. C.
Please use your influence with President and Congress to accept Pope's peace proposals. Spare the lives of our American boys.
Fletcher Davis.

If you want to see our boys come back to us as sound and unscathed as they are leaving us join NOW, before any of their blood has stained the battle fields of Europe, in the Pope's great prayer for peace. Don't wait until the death-lists begin to come in and then reproach yourself for having made no effort to prevent their slaughter.
Let us have peace!

De Montel-James.

A wedding of interest to a wide circle of friends throughout the State was celebrated yesterday afternoon at 5 o'clock in St. Mark's Episcopal Church when Elmer Charles de Montel, of Hondo and Miss Helen Adele James, daughter of the late Judge John Herndon James and Mrs. James, were united in marriage. Bishop William T. Capers of the diocese of Western Texas performed the sacred ceremony, which was quiet on account of the date having been set several weeks ahead of the original plan. The bridal party entered the church to the strains of the bridal chorus from "Lohengrin" played by Rev. Henry Glaeser, the organist. The bride was preceded by the aisle by her matrons of honor, her sister, Mrs. Sigismund Engelking, and cousin, Mrs. Stanley Cassin, who wore exquisite summery gowns of sheer white organdy the full skirts ruffled to the top with numerous dainty frills. With these were worn picture hats of white tulle with crowns of pink ribbon, the sole trimming being a single pink rose at one side. Arm bouquets of pink asters were carried.

Coming immediately after the matrons were the diminutive flower girls, nieces of the bride, little Misses Helen Cayloma and Mariana Engelking. They, too, were in the fluffy organdie frocks of white, carrying miniature Colonial bouquets of pink asters, and also wearing gold link bracelets, gifts from the bride's aunt. Following their arrival, the bride entered with her brother, John Alexander James, who gave her in marriage.

Her bridal array was simple but exquisite in its texture. The gown was of white organdy, hand-embroidered over satin; with this was worn a tulle veil which fell to the bottom of the gown, and was caught to the hair by sprays of orange blossoms. The bride carried a shower bouquet of white rosebuds and snapdragons. Upon reaching the altar the bride was met by the bridegroom and his best man, Emmet de Montel, his brother.

The bride is the youngest of the James sisters and has been one of the popular debutantes of the season, also one of the attractive duchesses to the coronation of the Fiesta Queen, Miss Elizabeth Kokernot; while the groom is one of the leading young men of this part of the State, being County Attorney of Medina County and chairman of the exemption board for that county also.

After the ceremony the immediate family and bridal party were entertained with a wedding dinner party at the Argyle. The principal adornment of the table was the large bridal cake embossed on pink roses. Later Mr. and Mrs. de Montel left for a short trip, the bride wearing a tailored suit of pongee and blue taffeta, her hat being in the two tones, the crown of the hat fashioned from pongee colored panne velvet. Champagne boots and gloves completed this attractive toilette.—Monday's Express.

Mr. and Mrs. de Montel arrived in Hondo Tuesday and are at home at the Montel mansion.

Receive Commissions.

Among the students at the Leon Springs Training Camp for officers were five Medina County boys. They all passed successfully and have been commissioned as follows:

Noah Peters, Captain; Hal Jones, 2nd Lieutenant; Joe Rogers, 2nd Lieutenant; P. P. Reilly, 2nd Lieutenant; John Boog, 2nd Lieutenant.

Rogers and Reilly have been assigned to the regular army, Rogers to the 26th Field Artillery and Reilly to the 26th Infantry. Have not learned the assignments of the others, but after a few days furlough all will be assigned to regular duty.

Dissolution Notice.

The Kimmey Transfer Co. is this day dissolved by mutual consent, George H. Kimmey taking over the interest heretofore held by H. H. Crow, and will operate the business under the old firm name of "Kimmey Transfer Co." Thanking you for past favors, and asking a continuance of the same, we are,

Yours gratefully,

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

Miss Annie Merriman is at home after a delightful visit of some six weeks in San Antonio. She says when she first went to the city she did not intend to return home until after it had rained, but as such an event as that seemed improbable for a long time to come she concluded she had better return before being entirely forgotten by homefolks and friends.

Henry L. Knight of Marshall, Tex., Gains 25 Pounds.

Popular Young Railroad Man Says He Has Found Out From Experience What Tanlac Will Do.

"When I finished taking my third bottle of Tanlac only a few years ago, I had a severe case of rheumatism and found that I had actually gained twenty pounds in weight besides. I threw my crutches away and went to work and I have held my weight and have been well ever since."

The above remarkable statement was made to the Tanlac representative in Marvin's Pharmacy a few days ago by Henry L. Knight, of Marshall, Texas. Mr. Knight has for a number of years been connected with the bridge building department of the Texas Pacific railroad and was always at his post of duty until he became so disabled by the rheumatism that he was forced to stop work and seek relief. Mr. Knight is a nephew of former Adjutant General A. J. Scott, who was formerly of Atlanta, Ga., but now of Tioga, Texas, and he has many friends, especially among the railroad people, in this section of the "Lone Star State."

Continuing his statement, Mr. Knight said: "Yes sir, I have found out the value of Tanlac by taking it myself. I certainly appreciate what it did for me and I'm glad to make this statement and give others the benefit of my experience with what I consider the best and most useful medicine yet discovered."

"Three years ago, I was then taken with what is called articular rheumatism in a very severe form. I was laid up with it and remained in a hospital for three weeks. I got no relief and had about given up. I just suffered as much as a mortal could, it seemed to me; and no treatment or medicine gave me any relief. I had intense pain in the joints of my lower limbs and my feet were so swollen I couldn't wear my shoes. I had to use crutches and even then it was agony for me to navigate. I lost twenty pounds in weight and was badly run down. I was extremely nervous and this made my suffering worse as my pain was principally in my swollen joints and it was torture for me to move about at all."

"Well, I read about Tanlac in the Dallas News and decided to give it a trial. I just began to improve on my first bottle, and, as I have said, when I had finished my third bottle I was entirely relieved, threw away my crutches and went back to my old job with the railroad. I picked up twenty-six pounds, which was six pounds more than I had lost. I have enjoyed good health and the free use of my limbs, without pain, ever since and Tanlac did it all. My work keeps me exposed to the weather a great deal and I decided to come here and get me another bottle of Tanlac to keep my system in good shape and fortify myself against the dangers of the winter season and I know Tanlac will do it. I am very grateful for what it did for me nearly three years ago and for the good health I have enjoyed ever since then and I don't hesitate to tell anybody about it."

Tanlac is sold in Hondo by W. H. Windrow, in Deyne by Lion Drug Store, in D'Hanis by Louis Carle, in LaCoste by Dickey Drug Co., and in Dunlay by Louis A. Baby.

STRAIGHTFORWARD TESTIMONY.

Many Hondo Citizens Have Profited By It.

If you have backache, urinary troubles, days of dizziness, headaches or nervousness, strike at the root of the trouble. These are often the symptoms of weak kidneys and there is grave danger in delay. Doan's Kidney Pills are especially prepared for kidney ailments—are endorsed by over 50,000 people. Your neighbors recommend this remedy—have proved its merits in many tests. Hondo readers should take fresh courage in the straightforward testimony of a Hondo citizen.

Mrs. X. Wants says: "My kidneys were disordered for sometime. I had a dull, bearing-down pain in the small of my back which steadily grew worse and it hurt me to stoop or straighten. I read of Doan's Kidney Pills and procured a box at the Martin Drug Co. They gave me relief right away and I did me a lot of good in every way. I don't hesitate to say a good word for Doan's and recommend them to other kidney sufferers."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wantz had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Commissioners' Court.

The Commissioners' Court is in regular session this week with all members of the court present. Among the other matters transacted was the approval of the Tax Assessor's Rolls for 1917. These rolls show an assessed valuation in Medina County of \$12,466,771. On this rendition there will be paid to the state in taxes \$74,800.62 and to the county \$31,667.23.

The Sailor's Reply.

We're not ashamed of the uniform, and if, you sir, are a friend, You never will say against it a word that might offend.

It has covered honored bodies, and by heroes has been worn Since the day our great Republic, and the Stars and Stripes were born.

Uniforms have many colors. Some are khaki, some are blue, And the men who choose to wear them are of many patterns, too;

Some are sons of wealthy parents, some are college graduates, Some have all the manly virtues, some are merely reprobates.

Men of brawn, and pluck and daring, men of brains, and knowledge too, Men who are best and bravest, proudly wear the Navy Blue.

No indeed we're not angels; Blackguards? Yes a few of those— But they got the name and rating when they wore civilian clothes.

No man's at his best when drinking. All act rough, and curse and swear; Drunken sailors or civilians are disgusting anywhere.

Criticize but treat us fairly, we'll appreciate it more Than a lot of empty cheering when we're going out to war.

If you meet us then in public, on the street or anywhere; Stow your covert, sneering glances, and your patronizing air.

We are Uncle Sam's defenders, as our garments plainly show; You may be a thief or parson; how on earth are we to know?

We don't ask you your profession, or your name, or what you do; Though we're only "common sailors" we feel just as good as you.

Who is there to judge between us, as we meet here man to man? Only one, the Great Almighty, name another if you can.

So forget the haughty bearing and the narrow, foolish pride, Get acquainted with the sailor, and the heart he wears inside;

Test, and trust, and understand him without prejudice or fear, And you'll very likely learn, that the sailor is your peer.

Henry Ney Dead.

Henry Ney, an old highly respected citizen of Medina county, died at his home some three miles southwest of Hondo at 1:00 yesterday afternoon and will be buried in the cemetery here at 4:00 o'clock this afternoon. Mr. Ney's death was not unexpected as it was known that he was suffering from an affection of heart.

A more extended notice of his death will appear in next week's paper.

Granulated Sore Eyes Cured.

"For twenty years I suffered from a bad case of granulated sore eyes, says Martin Boyd of Henrietta, Ky. "In February, 1903, a gentleman asked me to try Chamberlain's Salve. I bought one box and used about two-thirds of it and my eyes have not given me any trouble since." This salve is for sale by all dealers.

The Prolific Fly.

One housefly will produce 20,000 larvae, which will soon bring into existence 20,000 more, and these will multiply to over 8,000,000,000 in about five months.

HOW HE HAS TAMED HIS WIFE

One Undeserving Husband Demonstrates the Value of Blarney in Domestic Life.

Uncle Green's wife has never said a cross word to him. She has plenty of fight in her, and he does enough to make her kill him, but she never abuses him. When he reached home, after spending her last dollar on his friends, writes Claude Callan in the Fort Worth Star Telegraph, he says:

"After what I have done you shouldn't have let me come into the house. Here I am married to the best woman in the world, and then I go and act like a dog. You work like a slave and then I go act this way. It is a pity that such a woman couldn't have got a man worthy of her. The way I have acted ever since we married, and the way you have worked and worried, it is a wonder you don't look older than your grandmother, but in spite of it all you have kept your youth, and here you are looking just as young as you did twenty years ago. I don't want you to give me any supper. It will be more than I deserve if you'll let me go to sleep hungry on the back porch. I'll declare, Maggie—Is that you, Maggie? You are looking so young that I couldn't believe my eyes. And, Maggie, while I don't ask it, if you want to give me a little sip of tea, it will help me wonderfully. But I know I don't deserve it any more than I deserve such a good wife."

Then she says to him: "You have your faults, I guess, but you are far ahead of the average husband for all that, and now you sit here and warm yourself good while I go heat up the supper. We didn't have anything but bread and tea tonight, but if you think you'd like it, I'll broil you a piece of bacon."

AMERICAN WEDS A RULER

Alice Heine, Who Enjoyed Unusual Distinction, Soon Tired of Life as Princess of Monaco.

Alice Heine, the only American woman to enjoy the distinction—and suffer the disillusionment—of being the wife of a sovereign, was born in New Orleans fifty-nine years ago. Her father was Michael Heine, a Jewish banker, and her mother Miss Amelie Miltenberger, who came of a prominent Louisiana family.

Having made a fortune in New Orleans, Michael Heine settled in Paris after the Franco-Prussian war, and rose to be a noted financier. His daughter, Alice, became the bride of the duc de Richelieu, scion of an ancient French line. She bore him a son and a daughter, after which he died. The son inherited the title, and a few years ago followed the example of his father by taking an American wife, Miss Eleanor Douglas Wise of Baltimore.

Alice Heine, duchess of Richelieu, remained a widow many years before she was won by the prince of Monaco, whose prior marriage to Lady Mary Douglas Hamilton, an Englishwoman, had been annulled by the church. Life with the sovereign prince of the tiny country of Monaco—noted principally for its great gambling resort, Monte Carlo—was not a bed of roses, and she soon tired of it. The prince was given a divorce.

A "Shoestring Republic."

Dan Ward says in World Outlook:

Chile is as long as from New York to San Francisco and as narrow as Lake Erie! Truly a "shoestring republic." She is squeezed tightly between the mountain range and the coast. Her cities look up to the hills and down to the sea, with, as Arthur Ruhl puts it, "the Andes hanging like a beautiful drop-curtain at the eastern end of every street." Chile contains 24 provinces, and the largest province is big enough to hold all Pennsylvania, Vermont, Rhode Island and Massachusetts. The Chileans are the Yankees of South America, aggressive, keen, making fortunes from nitrate, erecting a chain of wireless stations from the near-tropical north tip of the Chilean shoestring to the Antarctic south tip, and preparing for Panama trade by expending \$12,000,000 on port and dock improvements. Chile is elbowing her way in among the most forward-pushing nations of the twentieth century.

Reading Faces.

The New York Medical Record in an article entitled "The Face and Its Expression in Diagnosis" is of the opinion that the Sherlock Holmes faculty in the average doctor enables him to read in his patient's face in a moment's observation that which the laboratory or physical examination will be a long time finding out. Going somewhat further the writer says that the physician may have read something in the face of the dog of the patient's household. That at the doctor's first visit the dog's face would have shined forth a welcome; at the next day he could read unalloyed gladness at his visit and confidence in him; at the third visit the dog's face would wear a dejected look. The wise physician would know what this meant. The family had "changed doctors."

Help Yourself.

Elsie came home from a neighbor's house munching a chocolate.

"Now, Elsie," her mother reproved her, "how many times have I told you not to ask Mrs. Gray for chocolates?"

"I didn't ask her," returned Elsie calmly. "I don't have to. I know where she keeps them."

Mothers' Club Meeting.

The Parent-Teacher Association met Monday afternoon, Aug. 13, at the home of Mrs. Felix Batot. The meeting was called to order by the president, Mrs. T. C. Barnes, and Mrs. J. A. Harger offered a prayer for the success of the meeting.

Seventeen members answered to roll call.

One visitor, Mrs. Bunting of Uvalde, was present and made an interesting talk on the work at Uvalde. Mrs. Bunting is secretary of the Parent-Teacher Association of that town.

Several letters were read by the secretary, Mrs. Sid. Carter, one from the Department of the Interior, Bureau of Education, was especially interesting, and we feel proud that the Hondo Mothers' Club has continued to meet and grow in interest during the summer months, as was urged by the department in the following paragraph: "Frequent meetings of Parent-Teacher Associations through the summer as well as when schools are in session."

Many other good things were urged and we are glad the Mothers' Club is co-operating with the Bureau of Education in carrying forward these measures.

Mrs. Flint had charge of the literary part of the meeting and the subject: "Influence of Clothes on Character" was thoroughly discussed and the paper on the subject by Mrs. Flint proved very interesting.

Several interesting items from the News Box were then read by different members of the club, after which the meeting adjourned to partake of the refreshing ice water served by the hostess, which is the only refreshment allowed by the club during the war.

Doings of Scouts.

After our pleasant week's outing, which was enjoyed by all scouts, master and visitors, we have settled down to work. The aim of each boy is to be a higher class scout as soon as time permits. We meet twice each week, on Tuesdays and Thursdays, at 4:30 p. m. at the Red Cross Rooms, this place being granted the scouts by the ladies and for which we wish to take this method of thanking them for same. The following is the program for each meeting:

1. Roll call.
2. Reading of minutes of previous meeting.
3. Thirty minutes study and examination.
4. Five minutes drill study.
5. Twenty minutes physical culture.
6. Liberty.

Every boy that wears the badge is urged to be present when possible.

Misses Cowans Entertained.

On last Thursday morning Mrs. F. M. Posey delightfully entertained a few friends at a Forty-two party in honor of Mrs. Crane's guests, Misses Ellene and Pansy Cowan of Dallas.

As the guests arrived pretty tallies were passed and several interesting games were enjoyed, after which Miss Ellene Cowan gave several piano selections.

The hostess, assisted by Mesdames Smith and Bradley, served a delicious salad course and iced tea.

Those present enjoying Mrs. Posey's hospitality, were: Misses Ellene and Pansy Cowan, Bessie Mae Chancey, Emabel Rogers, Mesdames P. L. Crane, W. H. Smith, and Horace Bradley.

Local U. S. Marine "Doing His Bit" in France.

Clyde Hollaway, a private of the 15th Company, son of Mrs. J. W. Hollaway, of Hondo, Texas, is with the first expedition of U. S. Marines to place the flag on the firing line in France, according to advices just made public.

The "do-all-dare-all" Marines are always ready, prepared to start at once, anxious to fight, fully competent to represent us wherever needed, and it should be a source of pride to our readers to know that a local young man is with the arm of our defensive establishment which is fitly engaged in the war for democracy, and which has always been the "First to Fight." The record of the "Soldiers of the Sea" has always been admirable, they sustain heroically today the finest traditions of the past, deserve the unquestioned confidence the nation reposes in them, and the local young man will doubtless be a credit to his country, his Corps, his home and himself.

Private Hollaway enlisted in the United States Marine Corps on April 11, 1917, at its San Antonio recruiting station.

CONTRIBUTED.

LOCAL U. S. MARINE "FIRST TO FIGHT" IN FRANCE.

Among the specially selected men who are to be first to fight for the Stars and Stripes on the firing line in France is Ross Hollaway, a private of the 66th Company.

He has gone with the regiment of U. S. Marines which forms a part of the first American overseas contingent.

Private Hollaway, who is the son of Mrs. J. W. Hollaway of Hondo, enlisted in the United States Marine Corps at its Hondo, Texas, recruiting station, April 12, 1917.

The "Soldiers of the Sea" are the oldest branch of our military service, and they have a splendid record. Their activities date back to 1775, and since that time they have been first to fight for America in many countries. The local boy has already proven his metal and will doubtless continue to uphold the motto of the Marines, "Always Faithful."

Red Cross Sermon.

The Union service held at the Methodist church Sunday in behalf of the American Red Cross was one never to be forgotten.

Rev. Winter Green of the Baptist church delivered a very eloquent address to a large and appreciative audience.

Rev. Green impressed upon his hearers the necessity of supporting the Red Cross and pictured to them our boys wounded in a far away country without this organization to care for them.

A musical program was well rendered. Quite a nice sum was donated to the local organization to buy materials to be made into supplies.

T. B. C. Club Entertained.

Miss Bessie Mae Chancey entertained a few of the T. B. C. girls at her home in honor of Miss Elene Cowan of Dallas. The T. B. C. girls are so very busy visiting that only a few of the members were able to enjoy this first meeting since Christmas. Nevertheless, those who were lucky enough to be in town accomplished quite a good deal with the needle. After several hours of sewing and chatting, the hostess, assisted by her sister, Miss Ruth, served delicious sherbet and cake. Those present were Misses Elene Cowan, Emabel Rogers, Mary Kempf, Ruth Chancey, Mesdames Chancey and Crain and the hostess.

The H. F. C.'s Entertain.

The H. F. C. Club was entertained by Miss Lorine Heath Wednesday afternoon, August 15. After several exciting game of High Five, delicious refreshments of lemonade and assorted cakes were served. All members were present.

PROPOSED AMENDMENT TO THE STATE CONSTITUTION, PROVIDING FOR AND RELATING TO THE CREATION OF CONSERVATION DISTRICTS.

Senate Joint Resolution No. 12.
Proposing to amend Article 16 of the Constitution of the State of Texas by adding thereto at the end thereof another section to be known as Section 59, declaring the conservation and preservation of all the natural resources of the State of Texas are public rights and duties; providing for the creation of conservation districts, declaring such districts bodies politic and corporate, defining the authority of such districts, and conferring upon the Legislature authority to pass laws with reference thereto; declaring that the Legislature shall have authority generally to legislate for the purpose of conserving the natural resources of the State; fixing the time for the election for the adoption or rejection of said proposed constitutional amendment; making certain provisions for said election and the ballots thereof and the methods thereof; directing the issuance of the proclamation thereof, prescribing certain duties of the Governor of the State and making an appropriation to defray the expenses of said election.

Be it resolved by the Legislature of the State of Texas:

Section 1. That Article 16 of the Constitution of the State of Texas be amended by adding thereto at the end thereof another section to be known as Section 59, and which shall read as follows:

Section 59a. The conservation and development of all of the natural resources of this State, including the control, storing, preservation and distribution of its storm and flood waters, the waters of its rivers and streams, for irrigation, power and all other useful purposes, the reclamation and irrigation of its arid, semi-arid and other lands needing irrigation, the reclamation and drainage of its over-flowed lands, and other lands needing drainage, the conservation and development of its fore te. water and hydro-electric power, the navigation of its inland and coastal waters, and the preservation and conservation of all such natural resources of the State are each and all hereby declared public rights and duties; and the Legislature shall pass all such laws as may be appropriate thereto.

(b) There may be created within the State of Texas, or the State may be divided into, such number of conservation and reclamation districts as may be determined to be essential to the accomplishment of the purposes of this amendment to the constitution, which districts shall be governmental agencies and bodies politic and corporate with such powers of government and with the authority to exercise such rights, privileges and functions concerning the subject matter of this amendment as may be conferred by law.

(c) The Legislature shall authorize all such indebtedness as may be necessary to provide all improvements and the maintenance thereof requisite to the achievement for the purpose of this amendment, and all such indebtedness may be evidenced by bonds of such conservation and reclamation districts, to be issued under such regulations as may be prescribed by law and shall also, authorize the levy and collection within such districts of all such taxes, equitably distributed, as may be necessary for the payment of the interest and the creation of a sinking fund for the payment of such bonds; and also for the maintenance of such districts and improvements, and such indebtedness shall be a lien upon the property assessed for the payment thereof; provided the Legislature shall not authorize the issuance of any bonds or provide for any indebtedness against any reclamation district unless such proposition shall first be submitted to the qualified property taxpayers voters of such district and the proposition adopted.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors for members of the Legislature at an election to be held for such purpose on the Third Tuesday in August, A. D. 1917, the same being the 21st day of August, A. D. 1917; At said election the vote shall be by official ballot which shall have printed or written thereon the words "For the amendment to Article 16 of the constitution of the State of Texas providing for conservation districts, the creation of such districts and their government and regulation." All voters favoring this proposed constitutional amendment shall erase the words "Against the amendment to Article 16 of the constitution of the State of Texas providing for conservation districts, the creation of such districts and their government and regulation," which said erasures shall be made by making a mark with pencil or pen through said words. All ballots cast as above provided shall be counted as cast for or against this proposed amendment, and if a majority of the votes cast shall be for the amendment it shall be declared adopted; if a majority of the votes cast shall be against the amendment said amendment shall be lost. All the provisions of the general election laws as amended and in force at the time said election is held shall govern in all respects as to the qualifications of electors, the method of holding such election and in all other respects as far as such election laws can be made applicable.

Sec. 3. The Governor of this State is hereby directed to issue the necessary proclamation for said election and to have the same published as required by the constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars or so much thereof as may be necessary is hereby appropriated out of any funds in the State Treasury not otherwise appropriated to defray the expenses of such proclamation, publication and election.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. . . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

WITH YOUR HANDS TIED by some chronic "female complaint" or weakness, what can you expect? There's nothing you can accomplish—nothing you can enjoy. And no good reason for it. Doctor Pierce's Favorite Prescription will cure you, safely and certainly, if you'll give it faithful use. For every one of these womanly troubles, this is the only remedy: In periodical pains, bearing-down sensations, organic displacements, and every kindred ailment, and in all the various disorders caused by functional derangement.

Mrs. FANNIE HARRIS, 232 South Elm Avenue, Dallas, Texas, writes: "This is to certify that I have used Dr. Pierce's Favorite Prescription and I know it is good for it. I could not do my work. I lay around all the time. I was recommended to me by a friend. Will say to those who are suffering in any way from female trouble to take the 'Prescription' and it will straighten them out."

From Quantico, Virginia.

QUANTICO, VA., July 30, 1917.
Editor Anvil Herald:

Perhaps some of the Hondo people would be interested in some Quantico news. My company landed here July 25, 1917. The hills of Virginia are a pleasant change from piny South Carolina woods. The Potomac gives us fresh water swimming instead of the salt water on the Island.

On Paris Island, while being trained in the preliminary drills we were given the regulation Marine Corps drill. On our arrival in Virginia we were given French and English army regulation training. An entirely new manual of arms is being given us here. We also get artillery, machine gun and grenade practice. The bayonet exercises teach us to stab, cut and club a man all in one action. It's all work, spelled with a capital W. But every one does it without a murmur, for do we not know why we are doing it? Everything possible is done to prepare us for the grim business that is inevitable. We realize that the situation is serious indeed. No true American soldier grumbles at a little hard drilling, or bad weather, when it is only given him to fit him for the struggle in the world's war. We must show the foreign nations that Uncle Sam's boys are best soldiers and the best shots in the world. The harder the drills the bigger the smile, the hotter the weather the lighter the songs and jokes and—the heavier the sweat.

The only worries of a jolly Marine at present are mails and furloughs. Some will not get furloughs because of living so far away. Sometimes in a case like that ten days and traveling time is granted, but rarely. All can get ten days and no traveling time, before sailing for France.

At the call, "Mail, O!" there is a general stampede for the door. Happy is he who gets the expected missive; blue and long-faced is he whose name is not called.

The citizens of Hondo are a patriotic people, as has been proven. Many have given their sons willingly and with a smile, to defend our country. Letters are always appreciated. It only takes a few words, and they go far to cheer. Show them they are not

GIRLS! WHITEN YOUR SKIN WITH LEMON JUICE

Make a beauty lotion for a few cents to remove tan, freckles, sallowness.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quarter pint of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

YES! LIFT A CORN

OFF WITHOUT PAIN!

Cincinnati authority tells how to dry up a corn or callus so it lifts off with fingers.

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted out, root and all, without pain. A small bottle of freezone cost very little at any drug store, but will positively take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

forgotten by old friends. However little some think of it, it takes cheerfulness to keep up the spirits of the boys who are going into the struggle on the battlefields of Europe. Let Hondo show her neighboring towns what she can do.

Summer Complaint.

During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. F. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."

LaCoste Ledger Laconics.

Dr. Alfred Ahlman was at Hondo on business. Sheriff J. F. Bader of Hondo was a visitor on the Irrigation farms last Wednesday. Misses Laura and Josephine Mangold spent last week with friends at Tarry and D'Hanis. Mr. and Mrs. Fred Hawkes of Spofford were visiting W. H. Hawkes and family Sunday. Mr. and Mrs. Joe Gross of D'Hanis were the guests of R. Gross and family Sunday. Joe Droitecourt and family and Louis Franger and Frank Monier attended the celebrations at D'Hanis Saturday. Mr. and Mrs. Wm. Jungmann and Mesdames Theresa Mangold and Catherina Jungmann took in the 4th of August celebrations at D'Hanis. Henry and Celeste Tondre sold over 900 bushels of corn to the LaCoste Mercantile Co. last Saturday at \$2.15 per bushel. This is new corn raised without irrigation and it is claimed that the above named parties have about 2500 bushels of the same commodity for later delivery.

UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tone" Will Clean Your Sluggish Liver Better Than Calomel and Can Not Salivate.

Calomel makes you sick; you lose a day's work. Calomel is quicksilver and it salivates; calomel injures your liver. If you are bilious; feel lazy, sluggish and all knocked out, if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tone instead of using sickening, salivating calomel. Dodson's Liver Tone is real liver medicine. You'll know it next morning because you'll wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tone because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tone to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about me.

INDIGESTION

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you

should. Belching, sour stomach and bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the constipated condition. Chamberlain's Tablets are also most excellent for biliousness. Sold everywhere at 25c.

Ask Anyone Who Has Used It.

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.

For quick sale—3 or more shares in Hondo Electric Light, Ice & Power Co. Cash Only. Make us an offer. Hanley & Davis, box J, D'Hanis, Tex.

Chronic Constipation.

It is by no means an easy matter to cure this disease, but it can be done in most instances by taking Chamberlain's Tablets and complying with the plain printed directions that accompany each package.

Stomach and Liver Troubles.

No end of misery and actual suffering is caused by disorders of the stomach and liver, and may be avoided by the use of Chamberlain's Tablets. Give them a trial. They only cost a quarter.
